

TBD-8900

PRODUCT FEATURES:

- **High quality LED light source,lifespan more than 50000hours; Whole light bar warranty 2 years.**
- **Special technology design, waterproof, dust proof, seismic design can adapt to the various environment ;**
- **Aluminium alloy body with better heat radiation.**
- **Built-in the reverse polarity protection circuit can protect install ation wiring and vehicle electrical components**
- **Multiple optional mounting ways: bracket ,magnet cup**

DIMENSIONS: (mm)

* All accessories are water, humidity, corrosion and emission resistant, flame retardant, and environmental-friendly. Materials used fully comply with the ROHS regulations.
